Elsewhere, there is a select group of denarii of the Twelve Cæsars, among which is a superb Galba (lot 1253), a number of important aureii and a solidus of the Empress Helena found in Hampshire last year (lot 1301).

We welcome consignments for our future auction programme in 2009 and beyond. So if you’re thinking of selling, whether it be your collection or just some duplicates, please contact our consultant Italo Vecchi at [ivecchi@mac.com](mailto:ivecchi@mac.com), or on 020 7016 1700.

The reverse alludes to the location of Siscia at the confluence of the two rivers. Traditionally the radiate billon coins of the late 3rd century are called an *antoniniani*, but *aureliani* would be more accurate. The Aurelian currency reform of 273 saw the introduction of a new coin to replace the failed so-called *antoninianus* of two *denarii*. The identification of the new Aurelian coin as being tariffed at four *denarii* seems to have been confirmed in a new section of the *Æzani* Inscription, a currency reform order which circulated around the empire in 301 (cf. Erism, K.T. and Reynolds, J., The copy of Diocletian's edict on maximum prices from Aphrodisias in Caria, *JRS* 60 (1970), pp.120-41). The marks of value XXI, sometimes combined with the mint mark, almost certainly indicate that the metallic composition of this new denomination is twenty parts of copper to one of silver, a theory confirmed by metal analysis.

The rare heavenward-gazing portrait series of the emperor recalls the portraits of the divinely inspired Hellenistic rulers. The series was struck in gold and silver to coincide with the close of the Council of Nicæa and the vicennialia of Constantine in 326. No silver of this issue is recorded for the mint of Trier in the standard literature

This rare issue with reverse legend ending AVGGG sets Carausius on an equal footing with Diocletian and Maximian, to which no numismatic gesture was reciprocated. This claim was so late in his reign that it must have been for internal propaganda, as by this time it would have been obvious that the central emperors had no intention of recognising Carausius

**PROVENANCE:**

Found in Hampshire 2008.

Illustrated on the front cover. On 8 November 324 Constantine celebrated his victory at Chrysopolis by conferring the rank of Augusta upon his mother Helena and his wife Fausta. The reverse type SECVRITAS REIPVBLICE (*sic*) is typical of the time that the personifications of ideas be identified with an imperial personage. The historian Procopius informs us that Flavia Julia Helena was of humble origin and a native of Drepanum in Bithynia. She was first consort of Constantius I and *nobilissima femina* before 324, and is considered a saint by the Orthodox church due to her piety, discovery of the True Cross and building the Church of the Holy Sepulchre in Jerusalem. A later legend mentioned by Henry of Huntingdon (c. 1080-1160) and made popular by Geoffrey of Monmouth (c. 1100-55), claimed that Helena was a daughter of the British Old King Cole of Camulodunum (Colchester), who allied with Constantius to avoid more war between Romans and Britons and Rome. There is no other surviving evidence to support this legend, which may be due to confusion with St. Elen, daughter of a Welsh chieftain from Caernarfon and later wife of Magnus Maximus

- 1302 Flavius Victor** (387-8), Silique, Aquileia, 387-8, pearl-diademed, draped, and cuirassed bust right, rev. VIRTUS ROMANORVM, Roma seated facing, head left, holding globe and spear, 1.58g/12h (RIC 54b; RSC 6Ad). *Good very fine, rare* £600-700

Emperor standing right, holding standard and Victory on globe, left foot prods captive with crossed legs, MD in field, 4.49g/6h (RIC 1206 [or 35c]; C 44; Sear 4220). *Possible trace of mounting on edge, otherwise very fine* £250-300

£1,000-1,500

## PROVENANCE:

Tellmann FPL 131, October 1968.

This issue was struck in Italy under the authority of Odovacar, from the Germanic Audawaks, 'watchful of wealth', the son of the Scirii chieftain Edeko, a vassal of Huns under Attila. In 470 he was appointed leader of a band of the Scirian-Herulic *foederati* in Italy, and in 475 *Magister militum* and patrician by Julius Nepos. That same year, the Roman general Orestes promised them a third of the Italian peninsula if they led the revolt against the emperor Nepos. After the success of the revolt Orestes rescinded his pledge and elevated his son Romulus to the rank of Augustus. This resulted in Odovacar leading his tribesmen in a revolt against Orestes, who was captured and executed at Placentia and the last western emperor, Romulus Augustus, was compelled to abdicate on 4 September 476. In order to avoid conflict with Zeno and keep the administration of Italy, Odovacar renounced the meaningless title of emperor by astutely sending the imperial insignia to the eastern emperor and declared himself patrician of the western half of the Empire. Odovacar is referred to as a king (Latin *rex*) in many documents, but the title appears to be informal

## IMPORTANT INFORMATION FOR BUYERS

### Absentee Bids

If instructed we will execute bids and advise intending purchasers. No charge is made for this service. Lots will always be bought as cheaply as is allowed by such other bids and reserves as are on our books. In the event of identical bids, the earliest will take precedence. Always indicate a 'top limit' – the amount to which you would bid if you were attending the auction yourself. 'Buy' or unlimited bids will not be accepted.

**All bids must be confirmed in writing, by fax or e-mail and should be received by 6pm GMT on the day before the auction. Although we will endeavour to execute all late bids, Dix Noonan Webb cannot accept responsibility for any bids received on the day of the auction itself.**

### Commission Form

Further advice to bidders and purchasers may be found on the commission form included with this catalogue. Please use this form when sending bids to us.

### Buyers' Premium

**A buyers' premium on the hammer price (plus VAT if resident in the European Union) is payable by the buyer of all lots. For coins and paper money this is 15 per cent; for tokens, historical and art medals, 17.5 per cent; for orders, decorations, war medals, militaria, cabinets and numismatic books, 20 per cent.**

### Pre-sale Estimates

The pre-sale estimates are intended as a guide for prospective purchasers. Any bid between the listed figures would, in our opinion, offer a fair chance of success. However all lots, depending on the degree of competition, can realise prices either above or below the listed estimates.

### Methods of Payment

**All payments must be made in pounds sterling.** Payment may be made by transfer direct to Dix Noonan Webb's account at:

Alternative methods of payment which will enable immediate clearance of purchases include cash, bankers drafts, credit cards (Master Card, Visa and American Express) and debit cards. Although personal and company cheques are accepted, buyers are advised that property will not be released until such cheques have cleared.

**Please note that we will not accept cash payments in excess of £5,000 (five thousand pounds) in settlement for purchases made at any one auction.**

Purchases will be despatched as soon as possible upon receipt of your written despatch instructions and full payment in pounds sterling for the lots you have bought. Carriage will be at the buyer's expense. Estimates and advice on all methods of despatch can be provided upon request.

**All credit card payments are subject to an additional charge of 3 per cent.**

Insurance cover will be arranged unless otherwise specified and will be added to the carriage charge.

### Clearance of Purchases

Buyers who have not established a credit arrangement with Dix Noonan Webb will be asked to pay for their purchases in pounds sterling when they wish to take possession of them. It is regretted that Dix Noonan Webb cannot take banker's references over the telephone at the time of clearance and that buyers cannot take possession of their purchases until cheques are cleared.

If buyers wish to pay for their purchases by cheque they are urged to arrange clearance of their cheques well in advance of the sale by supplying appropriate banker's references.

Buyers will be requested to supply a reasonable means of identification at the time of payment.

Lots will only be released to the purchaser, or his or her authorised representative, if full payment in pounds sterling has been received by Dix Noonan Webb, together with settlement of any charges due.

## CONDITIONS OF BUSINESS

### Conditions mainly concerning Buyers

#### 1 The buyer

The highest bidder shall be the buyer at the 'hammer price' and any dispute shall be settled at the auctioneer's absolute discretion. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Dix Noonan Webb that he acts as agent on behalf of a named principal.

#### 2 Minimum increment

The auctioneer shall have the right to refuse any bid which does not exceed the previous bid by at least 5 per cent or by such other proportion as the auctioneer shall in his absolute discretion direct.

#### 3 The premium

The buyer shall pay to Dix Noonan Webb a premium on the 'hammer price' in accordance with the percentages set out in paragraph 4 above and agrees that Dix Noonan Webb, when acting as agent for the seller, may also receive commission from the seller in accordance with Condition 15.

#### 4 Value Added Tax (VAT)

The buyers' premium is subject to the current rate of Value Added Tax if the purchaser is resident in the European Union.

#### 5 Payment

Immediately a lot is sold the buyer shall:

(a) give to Dix Noonan Webb his or her name and address and, if so requested, proof of identity; and

(b) pay to Dix Noonan Webb the 'total amount due' in pounds sterling (unless credit terms have been agreed with Dix Noonan Webb before the auction). Please note that we will not accept cash payments in excess of £5,000 (five thousand pounds) in settlement for purchases made at any one auction.

6 Dix Noonan Webb may, at its absolute discretion, agree credit terms with the buyer before an auction under which the buyer will be entitled to take possession of lots purchased up to an agreed amount in value in advance of payment by a determined future date of the 'total amount due'.

7 Any payments by a buyer to Dix Noonan Webb may be applied by Dix Noonan Webb towards any sums owing from that buyer to Dix Noonan Webb on any account whatever, without regard to any directions of the buyer, his or her agent, whether expressed or implied.

#### 8 Collection of purchases

The ownership of the lots purchased shall not pass to the buyer until he or

she has made payment in full to Dix Noonan Webb of the 'total amount due' in pounds sterling.

9 (a) The buyer shall at his or her own expense take away the lot(s) purchased not later than 5 working days after the day of the auction but (unless credit terms have been agreed in accordance with Condition 7) not before payment to Dix Noonan Webb of the 'total amount due'.

(b) The buyer shall be responsible for any removal, storage and insurance charges on any lot not taken away within 5 working days after the day of the auction.

(c) The packing and handling of purchased lots by Dix Noonan Webb staff is undertaken solely as a courtesy to clients and, in the case of fragile articles, will be undertaken only at Dix Noonan Webb's discretion. In no event will Dix Noonan Webb be liable for damage to glass or frames, regardless of the cause.

#### 10 Buyers' responsibilities for lots purchased

The buyer will be responsible for loss or damage to lots purchased from the time of collection or the expiry of 5 working days after the day of the auction, whichever is the sooner. Neither Dix Noonan Webb nor its servants or agents shall thereafter be responsible for any loss or damage of any kind, whether caused by negligence or otherwise, while any lot is in its custody or under its control.

#### 11 Remedies for non-payment or failure to collect purchase

If any lot is not paid for in full and taken away in accordance with Conditions 6 and 10, or if there is any other breach of either of those Conditions, Dix Noonan Webb as agent of the seller shall, at its absolute discretion and without prejudice to any other rights it may have, be entitled to exercise one or more of the following rights and remedies:

(a) to proceed against the buyer for damages for breach of contract.

(b) to rescind the sale of that or any other lots sold to the defaulting buyer at the same or any other auction.

(c) to re-sell the lot or cause it to be re-sold by public auction or private sale and the defaulting buyer shall pay to Dix Noonan Webb any resulting deficiency in the 'total amount due' (after deduction of any part payment and addition of re-sale costs) and any surplus shall belong to the seller.

(d) to remove, store and insure the lot at the expense of the defaulting buyer and, in the case of storage, either at Dix Noonan Webb premises or elsewhere.

(e) to charge interest at a rate not exceeding 2 percent per month on the 'total amount due' to the extent it remains unpaid for more than 5 working days after the day of the auction.

(f) to retain that or any other lot sold to the same buyer at the sale or any other auction and release it only after payment of the 'total amount due'.

(g) to reject or ignore any bids made by or on behalf of the defaulting buyer at any future auctions or obtaining a deposit before accepting any bids in future.

(h) to apply any proceeds of sale then due or at any time thereafter becoming due to the defaulting buyer towards settlement of the 'total amount due' and to exercise a lien on any property of the defaulting buyer which is in Dix Noonan Webb's possession for any purpose.

#### 12 Liability of Dix Noonan Webb and sellers

(a) Goods auctioned are usually of some age. All goods are sold with all faults and imperfections and errors of description. Illustrations in catalogues are for identification only. Buyers should satisfy themselves prior to the sale as to the condition of each lot and should exercise and rely on their own judgement as to whether the lot accords with its description. Subject to the obligations accepted by Dix Noonan Webb under this Condition, none of the seller, Dix Noonan Webb, its servants or agents is responsible for errors of descriptions or for the genuineness or authenticity of any lot. No warranty whatever is given by Dix Noonan Webb, its servants or agents, or any seller to any buyer in respect of any lot and any express or implied conditions or warranties are hereby excluded.

(b) Any lot which proves to be a 'deliberate forgery' may be returned by the buyer to Dix Noonan Webb within 15 days of the date of the auction in the

same condition in which it was at the time of the auction, accompanied by a statement of defects, the number of the lot, and the date of the auction at which it was purchased. If Dix Noonan Webb is satisfied that the item is a 'deliberate forgery' and that the buyer has and is able to transfer a good and marketable title to the lot free from any third party claims, the sale will be set aside and any amount paid in respect of the lot will be refunded, provided that the buyer shall have no rights under this Condition if:

(i) the description in the catalogue at the date of the sale was in accordance with the then generally accepted opinion of scholars and experts or fairly indicated that there was a conflict of such opinion; or

(ii) the only method of establishing at the date of publication of the catalogue that the lot was a 'deliberate forgery' was by means of scientific processes not generally accepted for use until after publication of the catalogue or a process which was unreasonably expensive or impractical.

(c) A buyer's claim under this Condition shall be limited to any amount paid in respect of the lot and shall not extend to any loss or damage suffered or expense incurred by him or her.

(d) The benefit of the Condition shall not be assignable and shall rest solely and exclusively in the buyer who, for the purpose of this condition, shall be and only be the person to whom the original invoice is made out by Dix Noonan Webb in respect of the lot sold.

#### Conditions mainly concerning Sellers and Consignors

##### 13 Warranty of title and availability

The seller warrants to Dix Noonan Webb and to the buyer that he or she is the true owner of the property or is properly authorised to sell the property by the true owner and is able to transfer good and marketable title to the property free from any third party claims. The seller will indemnify Dix Noonan Webb, its servants and agents and the buyer against any loss or damage suffered by either in consequence of any breach on the part of the seller.

##### 14 Reserves

The seller shall be entitled to place prior to the auction a reserve on any single item lot which has a minimum value of £100, being the minimum 'hammer price' at which that lot may be treated as sold. A reserve once placed by the seller shall not be changed without the consent of Dix Noonan Webb. Dix Noonan Webb may at their option sell at a 'hammer price' below the reserve but in any such cases the sale proceeds to which the seller is entitled shall be the same as they would have been had the sale been at the reserve. Where a reserve has been placed, only the auctioneer may bid on behalf of the seller.

##### 15 Authority to deduct commission and expenses

The seller authorises Dix Noonan Webb to deduct commission at the 'stated rate' and 'expenses' from the 'hammer price' and acknowledges Dix Noonan Webb's right to retain the premium payable by the buyer.

##### 16 Rescission of sale

If before Dix Noonan Webb remit the 'sale proceeds' to the seller, the buyer makes a claim to rescind the sale that is appropriate and Dix Noonan Webb is of the opinion that the claim is justified, Dix Noonan Webb is authorised to rescind the sale and refund to the buyer any amount paid to Dix Noonan Webb in respect of the lot.

##### 17 Payment of sale proceeds

Dix Noonan Webb shall remit the 'sale proceeds' to the seller not later than 35 days after the auction, but if by that date Dix Noonan Webb has not received the 'total amount due' from the buyer then Dix Noonan Webb will remit the sale proceeds within five working days after the date on which the 'total amount due' is received from the buyer. If credit terms have been agreed between Dix Noonan Webb and the buyer, Dix Noonan Webb shall remit to the seller the sale proceeds not later than 35 days after the auction unless otherwise agreed by the seller.

18 If the buyer fails to pay to Dix Noonan Webb the 'total amount due' within 3 weeks after the auction, Dix Noonan Webb will endeavour to notify the seller and take the seller's instructions as to the appropriate course of

action and, so far as in Dix Noonan Webb's opinion is practicable, will assist the seller to recover the 'total amount due' from the buyer. If circumstances do not permit Dix Noonan Webb to take instructions from the seller, the seller authorises Dix Noonan Webb at the seller's expense to agree special terms for payment of the 'total amount due', to remove, store and insure the lot sold, to settle claims made by or against the buyer on such terms as Dix Noonan Webb shall in its absolute discretion think fit, to take such steps as are necessary to collect monies due by the buyer to the seller and if necessary to rescind the sale and refund money to the buyer.

19 If, notwithstanding that the buyer fails to pay to Dix Noonan Webb the 'total amount due' within three weeks after the auction, Dix Noonan Webb remits the 'sale proceeds' to the seller, the ownership of the lot shall pass to Dix Noonan Webb.

20 Charges for withdrawn lots

Where a seller cancels instructions for sale, Dix Noonan Webb reserve the right to charge a fee of 15 per cent of Dix Noonan Webb's then latest estimate or middle estimate of the auction price of the property withdrawn, together with Value Added Tax thereon if the seller is resident in the European Union, and 'expenses' incurred in relation to the property.

21 Rights to photographs and illustrations

The seller gives Dix Noonan Webb full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs and illustrations provided by the seller at any time at its absolute discretion (whether or not in connection with the auction).

22 Unsold lots

Where any lot fails to sell, Dix Noonan Webb shall notify the seller accordingly. The seller shall make arrangements either to re-offer the lot for sale or to collect the lot.

23 Dix Noonan Webb reserve the right to charge commission up to one-half of the 'stated rates' calculated on the 'bought-in price' and in addition 'expenses' in respect of any unsold lots.

General conditions and definitions

24 Dix Noonan Webb sells as agent for the seller (except where it is stated wholly or partly to own any lot as principal) and as such is not responsible for any default by seller or buyer.

25 Any representation or statement by Dix Noonan Webb, in any catalogue as to authorship, attribution, genuineness, origin, date, age, provenance, condition or estimated selling price is a statement of opinion only. Every person interested should exercise and rely on his or her own judgement as to such matters and neither Dix Noonan Webb nor its servants or agents are responsible for the correctness of such opinions.

26 Whilst the interests of prospective buyers are best served by attendance at the auction, Dix Noonan Webb will, if so instructed, execute bids on their behalf. Neither Dix Noonan Webb nor its servants or agents are responsible for any neglect or default in doing so or for failing to do so.

27 Dix Noonan Webb shall have the right, at its discretion, to refuse admission to its premises or attendance at its auctions by any person.

28 Dix Noonan Webb has absolute discretion without giving any reason to refuse any bid, to divide any lot, to combine any two or more lots, to withdraw any lot from the auction and in case of dispute to put up any lot for auction again.

29 (a) Any indemnity under these Conditions shall extend to all actions, proceedings costs, expenses, claims and demands whatever incurred or suffered by the person entitled to the benefit of the indemnity.
